

Student Advertisement Brief

Please share one advertisement idea that would be interesting for students to develop. This brief gives students useful direction while leaving the final concept and design as their original work.

Advertisement goal

Business name

What should the advertisement help accomplish?

☐ Build awareness ☐ Promote a product or service ☐ Promote an event ☐ Share a community message

Other goal

Product, service, event, or idea to feature

Target audience *Who should notice or respond to the ad?*

Message and action

Main message *What is the one idea the audience should remember?*

Desired action *Visit, call, attend, follow, learn, purchase, or something else*

Required facts *Dates, prices, location, website, social handle, offer details, or disclaimers*

Creative direction

Visual ideas or themes you would enjoy seeing

Tone *Examples: friendly, energetic, elegant, playful, local, informative*

Preferred format

☐ Social post ☐ Story or vertical post ☐ Flyer ☐ Poster ☐ Website graphic

Other format

Colors, photos, phrases, or design elements students may use

Anything students should avoid

Examples or links for inspiration

Optional feedback

☐ We may provide brief feedback on student concepts ☐ We cannot commit to feedback at this time

Best way to share student work for review

Student advertisements are educational concepts. Any public or commercial use remains the business's decision and should be confirmed separately.
