

Business Introduction Question Guide

01

What does your business do, and who do you serve?

Describe your main products or services and the customers or community members you work with.

02

How did the business begin?

Share the idea, need, or experience that led to its creation.

03

What role does your business play in the local community?

Mention a local need, relationship, tradition, or contribution that matters to you.

04

What makes your business different from similar organizations?

This could be your service, values, expertise, location, customer experience, or approach.

05

How does branding affect your business?

Consider your name, message, visuals, social media, advertising, and the experience customers remember.

06

What careers or skills help your business succeed?

Examples may include marketing, design, finance, communication, technology, sales, or customer service.

Suggested length and return options

Video or voice recording: about 1–3 minutes

Written response: about 150 to 250 words. Please email your response to careercanvas.gns@gmail.com. You do not need to answer every question, these are just to guide you.
